

Primeo Energie Kosmos

Science and Experience Centre for Climate & Energy

Our event rooms

You can choose from three indoor and two outdoor rooms at the Primeo Energie Kosmos Science Centre. The entire building is accessible and a lift services all levels. Hire Mon. – Fri., 8:00 am – 5:00 pm. Other times can be arranged by request.

Seminar Room

Our Seminar Room on the second floor is ideal for workshops and meetings. The floor-to-ceiling windows can be blacked out with curtains.

The Seminar Room comes with various presentation options, such as display (HDMI and Click Share), flip chart and moderation box.

Event Location

When opening the folding wall, the second floor is transformed into one large event room with space for workshops or lunches and dinners. A separate room is also available as a preparation area.

The infrastructure is the same as in the seminar room.

Foyer Klima

The Foyer Klima on the ground floor can be used for serving exclusive aperitifs by adding bistro tables (maximum 100 persons standing).

The Foyer Klima is also ideal for talks and meetings when adding up to 70 concert chairs and a small stage.

Stage technology available on request.

Science and Experience Centre for Climate & Energy

Roof Terrace

The roof terrace features event lighting and a view across the countryside. The roof top provides enough space for standing aperitifs or dinners for up to 100m persons. Various seating arrangements are available (approximately 30 persons).

The Roof Terrace is not protected against the elements.

Piazza

With 4 tables and 15 chairs added, the Piazza between the Science and Experience Centre becomes an outdoor bistro. This space can be reserved during opening hours.

The Piazza is not protected against the elements.
A tent can be rented on request.

Catering: We can organise one of our external catering companies for you.

For specific questions about furnishings, technology, delivery, etc., please contact our team directly at kontakt@primeo-energie-kosmos.ch

A small 6 x 2 m stage can be booked on request (installation and removal CHF 200).

Additional furnishings can be hired to serve up to 100 seated persons. Guests must organise the hire and delivery of additional furnishings.

Technology

Our guests usually operate the technology themselves:

- A display with HDMI or Click Share is available in the Seminar Room.
- The Foyer Klima is fitted with an LED Wall (1920 x 1080 resolution). HDMI or Click Share interface, two hand-held microphones and white or coloured lighting.

The fee for technical event support is CHF 200 for 2 hours of work and can be booked separately to the hire fee.
